ROCK ROW HEALTH CAMPUS

On Feb 17, 2025, patients visited the Rock Row Health Campus for the first time as the \$140 million medical facility is opened to the public, officially.

The integrative care campus features two brand new buildings, a 200,000 SF medical building and a 20,000 SF health services building, complete with attached complimentary parking garage. At this contemporary, state-of-the-art care center, clinical research and a comprehensive approach to healthcare will merge. The facility is anchored by medical affiliates Dempsey Center, LB. MINI-MART, New England Cancer Specialists a Dana Farber Cancer Institute Affiliate Member, Plastic and Hand Surgical Associates, Rayus Radiology and Saco Bay Orthopedic and Sports Physical Therapy.

The Rock Row Health Campus is the medical anchor of the 110-acre, \$600 Million mixed-use development, Rock Row, featuring live, work and play amenities, all in one open-air community in Maine's largest metropolitan area.
